Good day,

Icing Smiles is a nonprofit organization that provides custom celebration cakes and other treats to families impacted by the critical illness of a child. We understand that the simple things, like a birthday cake, are luxuries to a family battling illness. Our goal is to create a custom cake for the ill child, or their sibling, that provides a temporary escape from worry and creates a positive memory during a difficult time.

We serve children who have a life-threatening medical condition that is considered progressive, degenerative, or malignant and are within two years of their last treatment. We also serve children who require frequent or extended hospitalizations and are within two years of their last inpatient stay. We serve all children hospitalized on their birthday, regardless of condition.

Please share this information about Icing Smiles and their website www.icingsmiles.com to learn more about this special program. Parents and interested parties can also visit my chocolateria and patisserie, Claudia Marie, at 451 Main St #5 in Placerville.

Let's join together to spread Icing Smiles.
